

# TRANSLED (Transformation, Language, Education and Development)

## Ameir Mohammed Makame

Chief project coordinator on the TRANSLED project and Assistant Lecturer at The State University of Zanzibar (SUZA). At SUZA he teaches a range of Education professional courses and Physical Education and Sport Sciences courses. He has written science books for primary schools and syllabus for Diploma for Primary Education. He has trained Teacher Centre tutors on competency-based curriculum. He has researched on Gender and Higher Education, Gender and Out-of-School Children. He has supervised research on Over-crowded Classrooms, Instructional Media and Technology and Girls Classroom Performance. My major research interests are Gender and Education, Higher Education, Youth and Education, Out-of-School Children, Over-crowded Classes, Repetitions, Physical Education and Sport as well, Instructional Media and Technology as well as Language and Education. His role in this project to monitor and evaluate the project at SUZA as well as overall management of the project.
