Support for Skills Development for Youth Employability in the Blue Economy Project (SEBEP), Project Ref. No. TZ-MoEVT/AfDB/C/IC/11

THE SUZA SEBEP PROJECT SCHOLARSHIP PROGRAMME 2024/2025

1. BACKGROUND INFORMATION

The State University of Zanzibar (SUZA) is one of the beneficiaries of the Support for Skills Development for Youth Employability in the Blue Economy Project (SEBEP). SEBEP is a project that is co-financed by the Revolutionary Government of Zanzibar and the African Development Bank. Its aim is to address the skills gap among the youth in Zanzibar through training and capacity building, while also creating a better learning environment for acquiring the required skills.

One component of the project is staff capacity building for the SUZA Institute of Maritime Studies (SUZA-IMS). In this programme, SUZA-IMS intends to train future faculty members. These individuals will contribute to the provision of training and education in the priority areas within the maritime field, namely, navigation/nautical science, marine engineering, and logistics and port management.
