

PRESS RELEASE

APPOINTMENT OF MANAGERS

The State University of Zanzibar (SUZA) hereby notifies the University community and the general public that the Acting Vice Chancellor, appointed managers of SUZA Bureau of Consultancy and SUZA Dental Clinic. These appointments were executed under the authority granted by Section (30) of the State University of Zanzibar Act No. 8 of 1999.

Dr. Maryam Masoud Khamis

Managers, SUZA Bureau of Consultancy

Dr. Khamis is a Lecturer in Information Systems at the State University of Zanzibar (SUZA), holding a PhD from Radboud University, the Netherlands. She has over 15 years of experience in teaching, research, and digital innovation, with expertise in systems modelling, data-driven governance, and climate information systems. Throughout her career, Dr. Khamis has coordinated and contributed to several externally funded projects supported by organizations such as the European Commission, United Nations Development Programme, and the Bill & Melinda Gates Foundation. In her role as Technology Transfer Officer, she actively promotes innovation, intellectual property development, and youth empowerment, while championing digital transformation initiatives that support sustainable development and technological advancement in Zanzibar.

Dr. Ramadhan Shaali Choum

Manager, SUZA Dental Clinic

Dr. Choum is a Lecturer in Oral and Maxillofacial Surgery with a Master's degree in Dentistry from Huazhong University of Science and Technology, Wuhan, China, and a Doctor of Dental Surgery (DDS) from Muhimbili University of Health and Allied Sciences, Tanzania. He is an emerging researcher with a growing interest in clinical dentistry and oral medicine, dedicated to promoting evidence-based practice and advancing academic scholarship in the field. Dr. Choum is an active member of the Tanzania Dental Association and remains committed to advancing oral healthcare services and strengthening the dental profession in Tanzania. Through his academic, clinical, and research engagements, he continues to contribute meaningfully to the growth, development, and improvement of the dental sector.
