**CALL FOR PAPERS**  
**Journal of Science and Technology Frontiers (JSTF)**

**December 2026 Issue (Volume 1, Issue 1)**

The Journal of Science and Technology Frontiers (JSTF), published by the State University of Zanzibar (SUZA), Tanzania, is pleased to invite researchers, academicians, professionals, policymakers, and postgraduate students to submit original, high-quality manuscripts for publication in the December 2026 Issue (Volume 1, Issue 1).

JSTF is a peer-reviewed, open-access multidisciplinary journal dedicated to advancing scientific knowledge and technological innovation by publishing original research articles, review papers, case studies, short communications, and technical reports that address contemporary challenges and contribute to sustainable development.

**Scope of the Journal**

The journal welcomes submissions in, but not limited to, the following areas:

- Artificial Intelligence and Machine Learning
- Computer Science and Information Technology
- Data Science and Big Data Analytics
- Cybersecurity and Digital Forensics
- Software Engineering
- Internet of Things (IoT)
- Geographic Information Systems (GIS) and Remote Sensing
- Climate Change and Environmental Science
- Renewable Energy and Green Technologies
- Agriculture and Food Security
- Water, Sanitation and Hygiene (WASH)
- Public Health and Health Informatics
- Engineering and Applied Sciences
- Mathematics and Statistics
- Marine and Fisheries Sciences
- Sustainable Development and Innovation
- Education Technology (EdTech)
- Digital Transformation and Smart Cities
- Entrepreneurship and Innovation
- Social Sciences with Science and Technology Applications
- Natural Sciences

## Types of Manuscripts

The journal accepts:

- Original Research Articles
- Review Articles
- Short Communications
- Technical Notes
- Case Studies

## Important Dates

| Activity                                | Date                |
|-----------------------------------------|---------------------|
| Manuscript Submission Deadline          | Open                |
| First Decision to Authors (first issue) | 31 October 2026     |
| Submission of Revised Manuscripts       | 15 November 2026    |
| Final Acceptance Notification           | 25 November 2026    |
| Copy Editing and Proofreading           | 26-30 November 2026 |
| Publication of December Issue           | 15 December 2026    |

## Submission Guidelines

Authors should ensure that:

- Manuscripts are original and have not been published or submitted elsewhere.
- Papers are prepared according to the JSTF Author Guidelines and Journal Template.
- All submissions undergo a rigorous double-blind peer-review process.
- Similarity levels comply with the journal's plagiarism policy.

## Why Publish with JSTF?

- Peer-reviewed and open-access publication.
- International Editorial Board and expert reviewers.
- Rapid and transparent review process.
- Wide visibility and dissemination of published research.
- Multidisciplinary platform promoting science, technology, and innovation for sustainable development.

## **Submission**

Authors are invited to submit their manuscripts through the Journal's Online Submission System.

For submission guidelines and author instructions, please visit the Journal website.
